

NOHGA HOTEL AKIHABARA TOKYO × AIR 3331

Stay at an urban hotel while creating your own project inside an independent art center

Discover Akihabara, stay in comfort, and create artwork all at once! As its first ever collaboration with a hotel, AIR 3331 is starting a limited-time residency in which artists may stay at the newly opened NOHGA HOTEL AKIHABARA TOKYO (September 2020) with the opportunity to work inside 3331 Arts Chiyoda, a major alternative art center. Both located at the heart of Akihabara, residents can quickly access the studio just 5 minutes walking from the hotel, while immersed in the bustling scene of the electronics and anime/manga district.

① NOHGA HOTEL AKIHABARA TOKYO

- About the hotel -

To let our guests dive into the diversity, curiosity, and creativity of Akihabara, we convey what we value through each feature of the hotel. Centered on music, art, and taste, our hotel interior communicating Akihabara's essence, event programs and products within the space are realized through collaboration with numerous creative minds. This is an introduction of what we aim to pursue as a hotel rooted in the city.

- Guest rooms -

Our guest rooms are where you can relax and experience the music culture we aim to offer. Every room has quality speakers installed, and we also distribute original music & film content streamed on TV. The simple and warm interior design completed with Japan-made amenities and fixtures will introduce excellent craftsmanship, with curiosity and refinement coexisting.

② 3331 Arts Chiyoda

- About 3331 -

3331 Arts Chiyoda is an independent art center based in the renovated Rensei Junior High School, a former Chiyoda City public school. Since 2010, it has served as both an artistic hub for anyone wanting to create, as well as a relaxing and open space for the community. Year after year, we hold countless programs including exhibitions, events, and workshops spanning fields beyond contemporary art from architecture and design to physical expressions and local history and culture. Also essential to our yearly activities are projects involving residents and children of the neighborhood, especially our participation in major festivals and traditions.

- Studio & Gallery IN 3331 -

Participants will be offered the Studio & Gallery IN 3331, where they can immerse their project in 3331 Arts Chiyoda's dynamic atmosphere. Here, creators can engage with 3331 visitors daily, which doubles as a gallery space. The studio is ideal for those seeking concentrated production time, opportunities to present, and an interactive environment.

*Note: depending on availability, participants may be offered a different space within 3331.

*Sample studio space

Floor area | approx. 32m²

Lighting | Fluorescent, LED spot lights

Amenities | Wifi, air conditioner/heating unit, 1 worktable and chair per artist

*For optional rental equipment and services (additional fee), please inquire with coordinator.
